

DEDICATE A CATHEDRAL STONE

Help us restore our beautiful St Mary's Cathedral by dedicating one or more Cathedral stones as part of the ongoing conservation work.

A tax deductible donation of \$300 or more (also payable in easy monthly instalments) will go towards the maintenance and restoration of architect William Wardell's golden sandstones.

You will receive a handsome A4 certificate signed by the Dean of St Mary's Cathedral which will also show your special dedication to your family and other loved one/s.

The conservation of these sandstones is a costly project which can only be undertaken in stages – your support of the Conservation Appeal will ensure that we can continue to protect this precious legacy for future generations.

Send your Stone Dedication to:

St Mary's Cathedral Conservation Appeal, Level 7 133 Liverpool St Sydney NSW 2000
