WORD FROM THE DEAN

Dear Cathedral Parishioners and Visitors,

Welcome to St Mary's Cathedral, whether this is your first visit or you are a "regular."

The new year is well underway, and we are readjusting to having a lot more people at Mass again. School is back, the Choir is back, more and more city workers are back... let's hope and pray it "sticks"!

You are probably aware of the Plenary Council of the Catholic Church in Australia, which had its First Session last year and will have its Second Session right here in Sydney on the Cathedral precinct in early July. The Plenary Council is a national affair, and considers matters specific to the Church in Australia.

World-wide, Pope Francis has set in motion a Synod on synodality, a gathering to reflect on the theme "For a Synodal Church: Communion, Participation and Mission."

If you are excited by this and would like to be part of the synodal journey at the local level, thus contributing to the consultation for the worldwide synod about synodality, you can find out more on the Australian Catholic Bishops website:

www.catholic.org.au/synodalchurch. To make this easier there are some leaflets just arrived from the Bishops Conference (they were supposed to be here before Christmas) which have a QR code you can scan to take you directly to the web page. At least we all know what QR codes are these days...

As the Gospel says, "Happy you who weep now: you shall laugh."

Every blessing for the week ahead,

Fr Don Richardson,
Dean

CATHEDRAL NOTICE

Dear healthcare workers, your service alongside the sick, carried out with love and competence, transcends the bounds of your profession and becomes a mission. Your hands, which touch the suffering flesh of Christ, can be a sign of the merciful hands of the Father. Be mindful of the great dignity of your profession, as well as the responsibility that it entails.

Pope Francis
World Day of the Sick

In October 2023, the Catholic Church will gather to reflect on the theme **"For a Synodal Church: Communion, Participation and Mission"**.

Pope Francis is inviting everyone to share their experiences of synodality (walking together): a decisive theme for the life and mission of the Church.

Your voice matters! You are invited to be a part of this journey by reflecting on the Synod themes and sharing your story.
